DIG YOUR PHOTOS! PRODUCT INFO

About the Creator

I'm Rhoda Gordon, a Certified Professional Photo Manager and the founder of Sunflower Photo Solutions. With a rich family history of photo enthusiasts spanning three generations, I've dedicated years to organizing media and assisting individuals, families, and businesses in preserving their stories.

Like many of my clients, you may feel overwhelmed, frustrated, and uncertain about where to begin when it comes to organizing your photo collection. That's why I'm excited to introduce DIG YOUR PHOTOS! This kit is a realization of my dream, equipped with everything you need for a successful journey in organizing your photo collection at home. Whether you prefer a group activity for the whole family or a solo endeavor at your own pace, the tools provided are guaranteed to help you.
